

SOSİAD TURKEY CLIMATE DATA SOFTWARE TERMS OF USE AND LEGAL DISCLAIMER

By using this software, you agree to and undertake to comply with the following terms and conditions.

1. Restriction on Commercial Use

No text, material, image, document, etc., from this software may be taken, copied, or used for commercial purposes without permission.

2. Disclaimer of Liability

Our association holds no legal or criminal liability for any and all damages and/or losses arising from or to arise from the use of this software, including, but not limited to, any performance issues, errors, omissions, interruptions, defects, computer viruses, and/or system failures that may occur in the system during use, and any direct or indirect damages, losses, and expenses arising as a result.

3. Right to Modify and Update

Our association reserves the right to change, update, remove from publication, restrict access to, or suspend all information, images, documents, terms, and conditions contained in this legal disclaimer and software without prior notice. You accept that our association has no responsibility or liability for such actions.

4. Information and Warranty Disclaimer

This software has been prepared in good faith for informational purposes. All data contained in the software is of a general nature and its accuracy, completeness, reliability, sufficiency, and currency are not guaranteed.

5. Intellectual Property Rights

All calculations, codes, pages, photos, designs, images, software, and other data and information contained in the software are subject to copyrights and/or other intellectual property rights protected by relevant laws. Any unauthorized use, alteration, or copying of these data is prohibited.

Any use, redistribution, sale, decompilation, reverse engineering, disassembly, translation, or other exploitation of any of the calculations, codes, pages, photos, designs, images, software, and other data and information contained in the software is strictly prohibited. The provision of the service does not transfer to you or any third party any rights, titles, or interests in these intellectual property rights.

6. Unlawful Actions

Tampering with, attempting to tamper with, or engaging in unlawful activities such as hacking the information contained in the software will result in legal and criminal proceedings. You agree to comply with all applicable laws, regulations, and ordinances related to your use of the software, and you acknowledge that you are solely responsible for any violations of such laws.

7. Acceptance Statement

The user's use of this software signifies that they have read and accepted all of the above clauses.
